Faisal Nazir Ahmad, MD, FACP, Joins Medical Group of Kansas City
Board-certified specialist delivers comprehensive primary patient care.

Kansas City, MO (March 8, 2010)– Faisal Nazir Ahmad, MD, FACP, an internal medicine specialist, has joined the Medical Group of Kansas City and the staffs of Research Medical Center and Menorah Medical Center. Dr Ahmad is board certified in internal medicine and is a member and fellow of the American College of Physicians.

Dr. Ahmad completed his internship and his residency in internal medicine at the Jersey Shore Medical Center in Neptune, NJ. He has more than 10 years of experience, having practiced in Virginia and then most recently in St. Joseph, Mo. Dr Ahmad will see patients at the Medical Group of Kansas City offices in Kansas City (Research Brookside campus) and Overland Park (Menorah Medical Center campus).

The physicians of the Medical Group of Kansas City have been serving the Kansas City community for nearly 40 years, delivering complete primary care for patients. The practice has convenient locations in both Kansas City and Overland Park, accepts all major health insurance plans and offers same and next day appointments. Dr. Ahmad is now accepting new patients. For more information, please call 816-276-6405 (Kansas City) or 913-498-6652 (Overland Park), or visit www.mymidwestphysician.com.
